

Using the Patient Login feature

As a patient, you now have the ability to access the registry using the Patient Login feature on njmmp.nj.gov. This option gives you the capability to:

- Change your current designated Alternative Treatment Center (ATC)
- View your current 30, 60, 90 day certification period
- View ATC visits and purchases
- Update your phone numbers and email address
- View past important emails and messages sent to you by the MMP

To access this area of the registry, the patient must go to <u>nimmp.nj.gov</u> and select <u>Patient Login</u>

After selecting <u>Patient Login</u>, you will have the option of entering your active patient number located on your MMP identification card or your personal information (if you do not have a card) including the reference number that is printed on your attending physician statement.

After entering your patient card number <u>or</u> your personal information, you must enter the security message <u>exactly (case sensitive)</u> as it appears to proceed.

You will now be on the <u>Welcome Page</u>. This page will have an archive of all announcements and emails sent to you by the MMP; it also allows you to navigate the following:

Change ATC

If you decide to switch from your current ATC, you may do so by selecting this tab. The top of the page will display your current ATC and can be changed by selecting a new ATC from the drop down list.

After selecting your new ATC from the drop down list, select the <u>Save</u> button at the bottom of the screen. There will be a confirmation notice at the top of the screen notifying you that your ATC has been successfully changed.

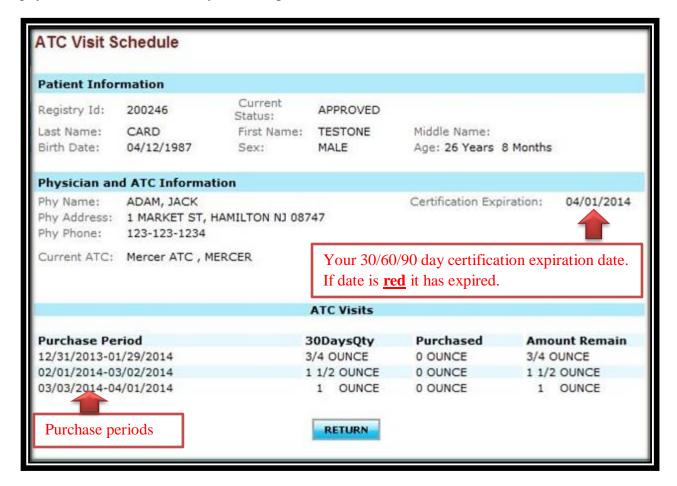

Note* You may only be assigned to one ATC at a time.

To contact your new ATC go to http://nj.gov/health/medicalmarijuana/find_atc.shtml

ATC Visit Schedule

By selecting this tab you can view your current status with the MMP, your MMP physician's information, and your ATC purchases

Update Personal Information

Your personal information page allows you update your telephone numbers and your email address. This page will not allow you to change your physical or mailing address. If you wish to change your physical or mailing address, a new MMP card is required to be issued; contact the MMP for information.

Welcome Page

The final tab is the Welcome Page. This tab will return you to the original page that displayed when you first logged in.

If you should have any questions concerning the Patient Login feature, please contact the MMP customer service unit at (609) 292-0424 or email us at Medical.Marijuana@doh.state.nj.us
